SEPTIC SYSTEM DESIGNERS & PROFESSIONAL ENGINEERS LICENSED BY THE STATE OF WASHINGTON

This list represents Septic System Designer Professionals or Professional Engineers (PE) who have conducted work in Skamania County or have asked to be included on the list and are qualified* to perform septic system design work in Skamania County. The list is not meant to serve as a recommendation, endorsement, or guarantee of workmanship. Current status of these and all system design professionals can be obtained from the Washington State Department of Licensing (WSDOL) by calling 360-664-1568, or by looking at their website: www.wa.gov/dol/bpd/onsitefront.htm

*Qualified design professionals include Civil or Professional Engineers currently licensed with the Washington State Department of Licensing (WSDOL) and persons who have obtained an on-site sewage system designer's license from the WSDOL.
